PROFESSIONAL PROFILE

I'm **Farhat Hamraz**, a front-end developer with a background in Computer Science and Information Systems. I enjoy turning ideas and designs into clean, responsive, and functional web interfaces. My current focus is strengthening my JavaScript and React skills while building practical projects and developing a strong foundation for a career in full-stack web development.

EDUCATION

Computer Science — Information Systems

2022–2023

Kabul Polytechnic University

Completed two semesters.

High School Diploma

2021

High School

Graduated with an outstanding result of **98.88%**.

TRAINING & DEVELOPMENT

2025

Frontend Developer Path

Scrimba

Practical frontend development training focused on HTML, CSS, JavaScript, and responsive web development.

2025

Foundations of Full-Stack Web Development

University of Freiburg

Completed foundational training in full-stack web development.

2025–2026

Digital Skills Training & Internship Program

NETLINKS / UNICEF

Participated in practical digital skills training, project-based learning, and professional development.

PRACTICAL EXPERIENCE

Responsive Web Development

Designed and developed responsive websites and landing pages using HTML and CSS with a focus on mobile-first layouts, typography, spacing, and visual consistency.

JavaScript & React Projects

Built interactive web projects using JavaScript and React while practicing components, events, state, DOM manipulation, and responsive user interfaces.

Personal Projects

Developed projects including an Afghan Proverbs & Sayings application, iPhone landing page, and other frontend interfaces to strengthen practical development skills.

LEARNING & PROFESSIONAL FOCUS

Front-End Development

Building responsive and user-friendly interfaces with HTML, CSS, JavaScript, and React.

Practical Development

Applying web-development concepts through personal, academic, and bootcamp projects.

Continuous Growth

Continuously improving my development skills with the long-term goal of becoming a full-stack developer.
